Sunday, 10th April 2016

Dear Parents

I trust that everyone has enjoyed a wonderful Spring break and managed to dodge the April showers to bask in the seasons sun. Hopefully your children are fully rested and ready to embark upon the summer term enthusiastically and with an unquenchable thirst for learning.

I have prepared a topic plan which includes some of the concepts we will be introducing to the children this half term under the heading of 'space' along with our usual areas of learning and development, our promotion of social behaviour, emotional well-being and preparation for school, all tailor-made for each child as appropriate for their personal next steps.

I respectfully remind you that as detailed in our healthy eating policy, we do not welcome, crisps, sweets and sweetened drinks into nursery and these empty calories do not sustain the children throughout our nursery day and are harmful to their teeth when we are not in a position to provide tooth-brushing facilities. Another housekeeping request is that all coats and lunch bags should be clearly named.

I have to announce that Mrs Angela Wolstenholme will be leaving us on Friday 15th April after many years at Robins. We are excited for her new venture but naturally sad to see her go and I am sure join you all in wishing her all the very best. She is a good friend and I am sure will keep in touch and will be keen to hear how the children are getting on.

We are pleased to welcome back Mrs Amy Hughes will be re-joining us after a period of time away to have a baby girl who is now at school.

It has been brought to my attention that I have made a mistake on the calendar due to school inset days and an early Easter. Our summer term will actually finish on Friday 15th July and not 22nd. For those who have siblings, this will be a week earlier than school. The funded weeks from the council are only 38 in the school year and so that is the number of weeks that we open for so that parents do not receive a large bill for the last week. I am considering opening for a few days in the week ending 22nd July if there is enough interest and this will be fully chargeable. Please let me know if you would like for this to happen.

Please ensure you have my mobile to hand with any questions you have. I am always happy to discuss the smallest of queries with you.

Warm regards

H M Johns
