

# ROBINS NURSERY NEWS

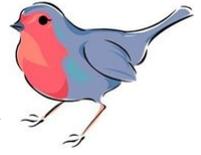

A monthly newsletter brought to you by Heather Johns

VOL. 1, ISSUE 1

01.09.2016

## New Website - [www.robinsnursery.co.uk](http://www.robinsnursery.co.uk)

I am pleased to announce that our Robins website has been enhanced. Hopefully you will find it more user-friendly and easier to find what you are looking for. It is still a work-in-progress and so any feedback will be useful as I continue to improve this site for you and for other parents looking to join us at Robins. It will contain amongst other information, term dates, topic plans and newsletters and will be regularly updated.

GO FOR IT !

## Goodbye Class of 2016

GOOD LUCK !

As we prepare for the new academic year and our new joiners to Robins Nursery we reflect upon the time we have enjoyed with those who left us before the summer break who will be starting the exciting school journey over the next week. We wish them well and look forward to hearing about this transition.

**All About Me**

- What do I look like? (Hair, eyes, height)
- What is my family? (Name, address)
- What is my special skill? (Art, music, games)
- Do I have a pet? (Cat, dog, mouse, chicken)
- Have I been to other places in the world?
- What languages can I speak?
- What festivals do I celebrate?
- What food do I eat?
- What is my favourite game to play?
- What books do I read at home?
- What do I like to wear?
- Do I have a special person?
- Do I have a special place to sit?
- What is the best weather to play in?

## New Topic

Our topic for this half term will be "All About Me". It is a great way of looking at and also celebrating the differences between us whilst learning that in most ways we are very much the same. The diverse nature of this topic enables us to support our least able children whilst simultaneously engaging and extending the development of our children who missed moving onto school by a matter of days. Fuller details of this topic plan can be found on the board in the Parents Information area and on the website.

## Join our Facebook Page

We have set up a Robins Nursery Facebook page which is full of useful information for you as a parent. These might be craft ideas, local events, discounted vouchers for activities, and health and safety advice as well as specific Robins posts. Many will be generic and not just for Robins parents so feel free to share. There will be no photos or details of current children included so as to safeguard those in our care. We wouldn't want you to miss out. [www.facebook.com/robinsnurseryschool/](http://www.facebook.com/robinsnurseryschool/)

Robins Nursery School

"Tell me and I forget.  
Teach me and I remember.  
Involve me and I learn."  
-Benjamin Franklin

## Fresh Look

Electricians have rewired our nursery and so I have spent the last 3 weeks cleaning, redecorating and revitalizing the nursery environment as well as caring for and freshening up the garden. I am sure you will enjoy the new look and the children will benefit from the changes that have been made. You will see notices up asking for photos to be brought from home to complete our displays and fully connect home and nursery links which is so important for the children. Please support us by adding to these displays.

Remember that we are always available to talk. Look forward to seeing you very soon.
