

Robins

Mission Statement

At Robins we aim to

- * provide a safe, secure, happy and warm environment for children from 2 years until they move to school at 4 years old
- * follow requirements and guidance in the Early Years Foundation Stage Standards 2014
- * ensure each child will develop intellectually, emotionally, spiritually and physically by providing high quality, consistent care ensuring that every child makes good progress and no child gets left behind
- * provide an atmosphere which encourages child's sense of self-worth, placing high importance on developing each child's personal, social and emotional skills
- * plan our learning and development opportunities around the needs and interests of each individual child which are regularly assessed and reviewed
- * nurture each individual, recognising additional needs, gender, race, nationality and culture, aiming to inspire our children to appreciate and enjoy the amazing world we live in and to respect and celebrate the differences between us
- * encourage children to make choices and become independent through free play, and learn to play co-operatively, take turns, express themselves and listen to their peers in group times
- * welcome and respect all children and their families/carers, working closely together to provide the best outcome for the child
- * work closely with all agencies, supporting those who need specialist help as well as undertaking extra training and obtaining extra resources where beneficial
- * provide equality of opportunity and anti-discriminatory practice, ensuring that every child and adult is included and supported
- * promote positive behaviour by praising and encouragement and being attentive to the needs of the children
- * continually assess the guidance available from all sources, particularly government advice and work towards best practice in all areas
- * value each staff member highly and ensure that every opportunity is given to each to develop their personal skills and to broaden their knowledge and skills in caring for and educating children

We consider it a privilege to help our fledglings to gain confidence and independence. At Robins they will learn to spread their wings and fly from our nest to the new and exciting challenges of school life.
