

25th February

Dear Parents,

I hope everyone had a fantastic half term break. This term our topic is minibeasts. I have attached a topic plan.

We will also be celebrating pancake day with our traditional pancake races in the garden and we have lots of Easter craft activities planned for the last week of term.

Thank you to all of you who have written Google reviews for Robins and sent back the individual planning sheets.

This term I would be very grateful if children don't bring in any toys as we are finding they are getting misplaced. However if they have any toys that are to do with minibeasts they can bring these in to show at group time.

I would also like to remind everyone that we provide drinks at lunchtime so that you do not need to send these in. We are promoting healthy eating so no crisps or chocolate and we are a nut free setting.

If you have any questions or queries please do ask me.

Best wishes

Abi Cousins
